DAILY PUBLIC LEDGER—1898.

UNCLE ERZA'S OPINION OF THE WORLD.

Isn't it good to be a-livin' in this grand old world today?

Seems as though I've never seen it lookin' half as fine and gay:

Just been offered sixty dollars for that colt there in the lane,

And Maria says Joe Higgins wants to marry Mary Jane—

She's our oldest, you'll remember—gettin' close to twenty-nine,

And we'd sort of lost hope for 'er—gosh, but this old world is fine!

Wheat is lookin' mighty splendid, corn is good and thrifty, too;

Seems as though the sky was never half as soft or half as blue.

Amos—he's my son—I reckon that you've often heard of him—

Well, he's goin' with Lib Watkins, only daughter of old Jim—

Highest man in this whole county! Lib's no beauty, I'll admit,

But I'm thinkin' Amos figures that there's more than looks to it.

Hear them blackbirds yonder a-chreechin'? Can't keep still, they feel so glad!

I don't see how anybody can set round a-lookin' and

When the good Lord's went and fixed it so that everything's so fair;

Seems as though the lambs were never half as fine as them up there—

Did I tell you that our Lizzie was engaged to Henry Spink?

He's to ask me for her Tuesday—and I'll give her up, I think.

My! But don't them fields look splendid with the shadows floatin' past;

And this weather can't be beaten—seems too good almost to last.

When our Mary Jane and Lizzie go and leave their ma and me.

We'll have only three remainin' to git married off. I see—

This, of course, is confidential—that Will Ballard's half inclined

To shy up to Helle, our third one. Well, I guess ma wouldn't mind.

Yes, I will admit I grumbled and was blue a month ago;

Things were lookin' mighty gloomy—I've quit nursin' trouble, though.

And I tell you what, it's splendid—this old feelin' in the spring.

That makes people get to lovin' and to think of marrying.

We had sort of got to losin' hope for Mary Jane and Lizz—

Say, just look at them there blossoms. What a grand old world this is!

Rev. Augustine J. Smith Well Liked in His New Home

Longaberger (O.) Eagle

The high regard in which Rev. Augustine J. Smith is held by the people of this city was manifest Tuesday evening in his presentation to the Bishop of this Diocese—the Rt. Rev. Boyd Vincent—for confirmation, a class of twenty-one persons.

Rev. Smith has only been Rector of St. John's Church for nine months and the preparation of this class, the largest in the history of the Church, has meant a great deal of hard work and close attention to his duties. The Church under his leadership is prospering and not the slightest discord exists among his congregation who have worked zealously to assist him in all his work.

THE Dover News takes a whack at explaining the late Colonel Rosser's will, "from information obtained through dispatches sent from Maysville to the daily papers." I thought Editor STAIRS was "too old a coon" to be deceived by the "rot" that is sent to some of the city dailies in the name of "news."

A FEW minutes after President ROOSEVELT reached Chicago a Committee of labor leaders called on him to file a protest against the use of Federal troops to suppress the rioting teamsters in that city. The Committee consisted of CORNELIUS P. SHEA, President of the International Brotherhood of Teamsters; CHARLES BOLD, President of the Chicago Federation of Labor; JOSEPH O'NEIL, Vice-President of the Chicago Federation of Labor; T. P. QUINN, a member of the Canvasser's Union, and T. RICKERT, President of the Garment Workers' International Union.

Outside of the members of the Committee, President ROOSEVELT and Secretary LOEB, no one was present during the conference; and Secretary LOEB tells "what happened to SHEA," and the story is good enough to print in its entirety—

After presenting the protest to the President, Mr. SHEA, acting as spokesman, said:

"We are here as a Committee to present to you a statement stating our position in this controversy between the Employers Association and the Teamsters Association.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

"We have understood that they had asked your aid for bringing troops into Chicago. We want to present our proposition to you."

PRESIDENT READS PROTEST.

Mr. QUINN said—

"It will take about ten minutes to read this. Perhaps we had better leave it with you."

The President said that he would read it at once, and after doing so said—

"I have read the petition you have presented to me, the conclusion of which is a request for a hearing before any action be taken by the Federal President relating to the Chicago strike question."

"As yet no suggestion of any kind has come to me from any source that I should take action."

"Of the merits of the case I am wholly ignorant. I have no knowledge of what the situation is nor of what steps should properly be taken to end it."

PRESIDENT DISPLEASED.

"I feel, however, that in view of one statement, or series of statements, in your letter, I ought to say this: I regret that you should in the letter have spoken at all of the use of the Federal Army as you have there spoken."

"No request has been made to me for action by the Federal Government, but at the same time, Mr. SHEA, as you have in this communication to me brought up that fact I want to say one thing with all the emphasis in my power."

"In upholding law and order, in doing what he is able to do to suppress mob violence in any shape or way, the Mayor of Chicago, Mayor DUNNE, has my hearty support."

"I am glad to be able to say this to you, gentlemen, before I say it to any other body."

"Now let me repeat that I know nothing of the facts of the situation."

WILL UTHOLD MAYOR.

"I know nothing of the right or wrong of the points at issue. What I have to say is based purely upon what I regard as the unfortunate phrasing of a letter presented to the President of the United States."

"I have not been called upon to interfere in any way, but you must not misunderstand my attitude."

"In every effort of Mayor DUNNE to prevent violence by mob or individuals, to see that the laws are obeyed and that order is preserved, he has the hearty support of the President of the United States, and, in my judgment, he should have that of every good citizen of the United States."

"Now, gentlemen, it has been a great pleasure to see you, and I am glad to have had the chance to say this to you."

ELEGANT MEDALS

Ten Past Great Sachems of Kentucky Redmen the Recipients

At the meeting of the Great Council of Kentucky, Improved Order of Redmen, at Frankfort this week ten elegant solid gold medals were given the Past Great Sachems of the state, two coming to Maysville Redmen—Mr. Thomas A. Davis and Mr. John L. Winter—and one to Mr. William C. Pelham, formerly of this city but now a resident of Knoxville, Tenn.

Mr. Davis is the Senior Past Great Sachem, having the distinction of being the oldest surviving ex-officer in Kentucky.

The medals, which were delivered yesterday by Great Chief of Records Henry W. Ray, were among the handsomest ever given by any Order, the workmanship splendidly executed and the design one of especial beauty.

HIGHEST PRAISE.

Some Maysville Citizens Grow Enthusiastic on the Subject.

The praise of the public is merit's just reward. Nothing in modern times has received the praise accorded "The Little Conqueror."

Of some kinds of praise we are skeptical.

We doubt the praise of strangers. The highest praise for Maysville public is hearty expression from Maysville people.

Doan's Kidney Pills are indorsed in Maysville.

No better proof of merit can be had.

Here's a case of it. We have plenty more like it.

James D. Tolle, clerk at Wood Bros. meat market, and living at 117 Short St., Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was scalding, burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my trouble. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

Plenty more proof like this from Maysville people. Call at J. James Wood & Son's Drug-store and ask what their customers report.
